Recap:

We decide to just go ask The Governer.

There are Dwarves and miners Trying to talk to the Governer, we are let Past. Two Gaurds follow us To The Governer.

The central Pillar Holding The Governer Ziggurat is Hollow.

Ulrick ruy. Governer is an elf with receding Hair. like 600 years old. Battle scarred.

The Dwarves don't see Lords The governer, as their leader.

The dwarves aren't digging cause The governer isn't protecting Them when They die.

Tunnel 367 encountered a dis site. and Has trapped Dwarves.

false zadno might be at Tunnel 284.

Iorus Gave us a Day Pass for 367.

Down Right, forword, left, forword Right

Followed directions and found an area.
