Recap!

As we were passing myrtle fixed our grievous wounds.

There were more dwarves That weren't killed by The morhg.

we were pointed to a sealed dreamer door. Possibly for a Sleeping pod.

Zedric Heads Through The Seal first.

The doors Past The Seal were forced open But likely not by Adam,

we continue, more doors were forced open.

Viridis finds dwarf tracks. we follow and find a stairway. continue up.

we descend down a ladder into The armory.

Zedricks Halberd was fixed by a dreamer construct.

Zedrick and my self force open a door in The armory we find Sabers for Tome which are magic.

Leave and Head up To Barracks and in firmary.

We pass Through Barracks and find The infirmary.

Myrtle investigates dissected Bodies and they look to be abberations, insectoid like and forced Change dreamer bodies.

Zedrick finds Twins with notes.

Scholar was unable to find Cure and is Sad about it. Apparently infection is at The door when recorded.

Open a storage room and found a corpse

viridis is like The abberations. That are dissected.

Speak with dead on The Corpse.

we return To The Hallway and after baricara.

The door To The main Storage area is Pushed open about a dwarf Sized.

We find officers area, control room, and air control room.

we enter The control room. Zedrick figured out baricara touched a Panel.

air control at half, water purify off, Security doors locked, lax basin doors unlocked. one bime Sleeper bays,

We follow Viridis To air control and comms room To find baricara.

They Headed down and So did we.

The Sleeper bays and crew Seem more rushed and The light is faster and Red,

a Red Sleeping, pod is covered in fresh with an organish like breathing and a humanoid like Staring to The north.

The tunnel curves as we continue after.

find The lux channel room.

There's like 100 faces Tracking us across The room.

found Baricara and They Gouged out Their own eyes.

Viridis Grabs The lux Chanel and we See The light They were describing,

The dreamers had Silver Tears coming out of Them and were being Vilified and dead.

we Stop Seeing The vision and attempt to leave and See fake Zadun on The other Side.
