Re cap:

Bought a few items from Clement and Passes for a ride back to Wallendorf for Upland money.

Governor at depot and some one attempted to kill the Governor and died.

Governor: Iorus

Seems like the governor was waiting for a Slayer.

While waiting for our cart a Seraph walks into Urnick run

We make it to Wallendorf Safely

We Barge into Visa's Office.

I find The Guy That took myrtle. I accost him immediately.

He says He'll take us to See myrtle.

We take cart and reappear in a very fancy nature filled study.

He is called Null.

Null wanted to speak with myrtle. Zedrick's rat abomination professor was a friend.

Not Part of The Same School That myrtle is from.

Viridis notices when shown we're in Chernobl.

Null wants us to be friends with Uehoired but we might be able to kill him.

Us is on Par with dragons

Null is a dis embodied, Ulnear's gate was free from oversight on magic, Seat The entire city to The ethereal Plane and Head Some come back with Half a body in each Plane.

Null thinks The light killed The dreamers and is coming for us again.

failed Two rolls to incorporate Zadna Card

Buy more from Clement

Head to alley Then to Tavern from where last met The dreamers.

Ne Haired does want to recreate The light incident.

were to be revered and being made Pure by The light.

The light is on a return course and Uehoired is preparing for it.

We keep The lux chance don't rely on it as it may return us Back To point previously.

Meet up with Null and get Sent to arrow relt for Zedrick college.

Null Says follow ne haired instructions fill Hr finds us.

We eventually meet up with Lorath at The quest board in wallendorf.

Lorath Says Bar keeps Send letters.

Tone Brings us to Hayden

Lorath says Lycan Throat is Spread Through Bites.

Hayden and Burricana were Broken similarly.
