+1 Canes and my $50

Recap!

we Traved Safely in Vysa's fancy carriage to Unterland without issue.

The Personal driver points us to a captain at The Guard.

The arcane schools are those That'd be in elfond. likely To encounter School elitists

Give us a newbie to Guide us. Terribly Stinky for Viridus and Iron itchy Broody Scout.

Plenty of military and Guards as well as non allegianced. lots of Guilds and People trying to Joing.

dukes martinets are harrassing outsiders.

duke's and nyronds Similar. duke Jeffrey Greares was Passed over for Vysa

we are lead to Ulga Gnatendair's Place. A troll greets us and Myrtle cheans us. The troll leads us to an elevator to meet Ulga. The troll is on auto pilot.

we enter The elevator and it descends a few more floors.

Ulga was knitting within The room.

She can apparently make adamantine Skin.

Ulga Has Been Stuck Here for a long Time.

Tome accepts The Offer for adamantine wings for a favor.

The forge is a Purplish red Haze

Hands Tome a Bell to Hold, and Says it may hurt and don't move.

She Just cascades The adamantine over Tome's wings.

Myrtle traded False life for an adamantine Shell.

Ulga and Her sisters are different Than Viridus But alive.

Viridus accepts nails and teeth being adamantine in exchange for a finger spell.

Ulga says Hopefully it Helps Viridus with The creature after Viridus.

Ulga Has all of The teas. all of Them, including The rare 22 year old Stuff and The feywild Tea.

Ulga was forced By Baltazar first lore master of Unterland forced Her There.
Baltazar Argo Brost, Super Powerful wizard works for The Schools of magic and the nobles Has fort ordagast named after Him. Can find him in His family crypt in The fort. The duke is in charge of it.

City was much smaller during Ulga's free time.

we Head out without issue and are Guided out.

Tome can Still fly, but costs 5 extra feet To lift off.

Hags work in Groups of 3 sisters, covens. Meet every so often.

Viridus does not want To Join Ulga's coven. was promised us an apprentice

Accosted by orange Band individuals

Myrtle gets The Tiny Hut up. Viridus sussests Clinic

Cast Hex on leader and Head into The clinic
