Recap:

As we are Heading out of The archives a dis hadred dog Joins us.

Get a bit lost and take some Time To find maximovich's appartment.

we knock and are directed around To The Back yard.

it's a small Tool Shed in a very unkempt Garden.

it's very much in squalor and dis repair.

Lorath dis arms a falling Shers Trap and invites us in.

Tome and viridus figure out That maximovich left and others left some surprises for whoever returns

Viridus asks about where maximovitch went, didn't pay enough for info.

viridous and Lorath figure out we were Tailed.

Make it To The library
Tome goes to Read.
Lorath Tries to find about vampirism
Viridous and Self ask about maximovitch.

Lead To maximovitch's Locker which Has His day clothings I don't know This. I do find a Secret Pocket That's sewn To the inside and Hidden really well. inside is a key with the number 13 on it.

Library attendant says it's likely a Bank vault key. Likely a Smaller Bank chain as it's a wooden Tab.

Lorath finds Book on illnesses of humans fighting undead. also Gets distracted by a Book about a cross bred vampire lycan thrope. a fiezis. no confirmed sightings or killings However compelled by Both To kill.

Tome asks about seraph biography. Directed To The churches.

Lorath asks and gets, Maybe.

we head out and Terry finally finds viridous again.

I see a Person across the courtyard, no armband Talking To each others

Tome see a Group of Martinets
viridous sees a Person That Glows as he Talks.

viridous sends Terry To listen To The Rally

They Hate astoxan's, General is weak, leader is weak, Uyland is weak duke is strong. Martinet's are strong.

Viridous smells human waste and sees human boots in a barrel.

Guy on Bench was crunched into The Barrel. oily smell likely caused.

Tome finds some Things in His Bone Heap of The corpse. viridous Helps Clean it off.

we inform The Guards of The body we found.

Head off To an inn and There's some martinets

I instigate Them.
we Have a lot of issues

Head To Clinic dragging Two Bodies and Dwarf.
