+ 2 Andrew dinner

Recap!

I stick my Head out and ask of Them.

See warbreed Lady crouching She stands and approches

She is The Vanguard it seems

They are after The adamantine we Stole

we decide to try and figure out who we stole from.

we also long rest and during which we had a dream

Myrtres dream is of a dream That he Has a research group to find a Thing, info is free and open

war war dreams of a life with The group being extremely successful, Myrtre is a god, uzga is King argyle is leader of The military.

Johnathan, surrounded By specific People slain By Him. Exhausted But Triumphant

Tomes dream, flying above The murky clouds and seeing The Sun, not being fearful.

dream sours and sees The light and Turns away. That illuminates monsters,

warwar sours and Has Myrtre ripped in Half and Fields of monsters like "US" That kill all

myrtres sours and They start being secretive and myrtre being alone.

Johnathan's sours, He's shackled and watching Them lay waste.

we are Then in a shared shade, myrtre, Tome, self, and other person (Johnathan) is There. as were when went to sleep.

uzirea, is unknown, Has a staff and a short sword. went to sleep in The under city.

Tome Had The zoomies.

uzera is wearing like Third or fourth Hand clothes.

young Human Girl, short and Itorn not well cut Hair.

I ask The cart if it can get us out. Fake Zadna responds, She is not. She is dissapointed in the decision to integrate Her.

we ask about The Place from a gnome That enters.

I ask for understanding. It somehow works.

They're not using Lay channels.

I share what The light and Lux channels are.

ozira is dragged Through The into dump.

I ask to prevent The Rapture (I go Through it in RealTime in my mind and succeed)

I manage To Think it's not real (about a year in). and Rejoin.

Ozira is not There again.

I gained advantage on Persuasion. for The day.

I Have Two People on my shoulders sheet metal in a face, with a conical cap and Priestly like Robes That says They're my concious.

and an ura cackra That is very dissapointed.

Swarbus Ghilgo is an aasimar

Desparil, is The dara cockra

Sringo is a show off.

ozira goes on an infiltration mission.

Seems to go well,

Myrtre suggests waiting for viridous and Laroth to wake By waiting while investigating The items taken from The cart.

find augustine Trading co Brand Journal and stuff in a secret Painting.

war Breed Project notes. Talks about How To make Them an control Them.

Referances Baron van Gringer botom in moreacia.

Myrtre sends a sending to null, about warbreed
