Raven Points at The lore master.

Lorath - Spills nehaired and nail To The Raven.

Raven Bites Lorath and Takes ear lobe To lore master.

lore master appears Behind Tome.

Lorath Tells lore master we are on House arrest from Shiel and Regent.

a Contorted Human old Blocks Hallway, Pieced together, unlike adam. Very Stitched and muscle grafted, Monstrous golem.

Lore master asks why Uyga sent us.

Lorath Tells Short version of long Story.

She is a superior of The hand. (and us)

Lorath dad Joker Her. Calls Her "Torn."

Lore master will Report

Thinks Shield is Reason The archives Lux channel is in Korrin Shields Hands.

They Head Back To The library.

Brief moment of Shiel Being genuine with myrtle

Myrtle asks How To Recover The knowledge

once safe for us To leave we can find it at a library.

To learn Demon Summoning was easier to learn from who knows.

will learn a new Thing Tomorrow.

less efficient Than a proficient wizard.

warwar Sees golem, it is not like adam.

Myrtle finds out it's a Suture golem. Typically used To gather Corpses for Necromancy.

can consume people. Nasty to fight.

Good at fighting living.

immune to non magic weapons But adamantine Can.

She's lore master.

myrtle Shares That Korring was Summoning demons in dungeon.

She literally croaked and left.

Lorath noticed Symbols and etchings. The guards didn't Seem To perceive Her.

Ozira knows That The core is made of orthium.

Lorath informed no extraction Somens attacking adamant

Lorath Brother alive. all agents instructed To cause Havoc.

Lorath Shares friends unable To Help, adamant under Siege By The Somens (Southern Ostoyans) and north ostoya. Uysa in city Too.

The Prison is north west of Southern Half of Ostoya.

we decide To Try and Kill The lord.

Lorath wants To Blow a Hole in a wall To get People There.
