Spent a while going Through leveled up stuff.

---

wait for viridous and Loram To wind Shape,

Tome gets Summoned By The Hagseed flies off By Himself.

we head TO Vysa.

Vysa is kind of Drunk

Clement is Sore

Tome met up with us.

Tome asks viridous if Tome is Different after The Blood donation To The Hag.

we all look out for what's going on.

I see some one in The clouds. They bear The sigils of The lore keepers and The colleges.

an old Bearded Vyga Saved some of us.

Loruth takes The damage and falls unconscious

The old Bearded Vyga is Called Darren

We Head To a Sewer entrance

we Rush TO a Sewer gate and Head inside.

Darren Recognizes me ish.

Null Then Saves us and Brings us TO The Clinic

Says TO Burn it and leads us on a maze

Null Sends max, Dr Rarker, Darum and Leonidas

Viridous casts Pass without a Trace. and we enter in to a Town That has sigil Stones around The out side of The Town.

we hear 12 explosions

we see 12 individuals flying around The city as if They're Searching The 12 cast wall of fire and ignite The wall of The city

They're attacking The city and we take an arcane Rift across a 300 ft wide River.

a tree bay is Blocked By an invisible wall. The River is violent a luminescent Stag stands By us and The enforcers Relent.

The Stag Speaks to us Telepathically.

Loruth and myrtle Recognize it's a Druid grove near The Province That myrtle's School is, Closest to artfort.

Never Seen The Stag, The languards, The bugs, it's all new to me.

The Dryads look similar ish But still different.

I ask everything. What are The bugs. The Rusks, The Centaurs. Loruth explains with glee

There are stones That we Head toward. (They're large oak Scarecrows)

a Dragon of earth and Tree

The dreamer automaton's wear The items I felt The most kin ship.

Null is calling in a favor and asks The dragon for Lizbeth.

Vyga and Darren are Star struck, most The group is too. I'm not.

The dragon is not impressed with null or vyga.

Tome Remembers The Bauracks systematically attempted to wipe out The Dragons.

Null said That Vyga is not like Predecessors.

Loruth in druidic Shares That null and Vyga Saved us.

Null Says he'd Be asking of Lizbeth.

Loruth volunteers us as emissaries of his circle as volunteers.

The dragon allows us Respite and Loruth Bows Then we leave.

we are lead into a Private inn wooden cabin in a Tree space, fruits vegetables and water are Brought

Loruth Shares The snackie Seeds are from Astoya.

Null gives me a deep Politics and intensive on formalities

we enjoy a long Rest

a club (group of People) is explained to marmar, and inner Sanctum.

Tome is awaken By Tapping on Their Shoulder, The ghost Dreamer girl wakes Tome, She's now older and Scarred. Points at a Blinking light past The Twin moons it's weird, She Says great Stranger and stop the hatred and don't give him what he wants.

Tome Shares The above.

Null Thinks it resembles info He knows.
leads us down some Dwarven ruins like a grand library.

Null Shows The light thing in The Sky By The moons.

Null explains That The light in The Sky was kind of figured out By the hatred.

I remember The fight with us and That us was looking at The light. all The bodies were looking at The light

Null explains That Vyga's Brother Darren Technically works for Null,

Marencia is a augustine Trading Company and war bread Headquarters.

we find out That Zadna's cane is no longer in The Bag.

Null Shoves Bag of Holding in Bag of Holding.

attempt To Turn out The Bag

I Roll a nat 20 To enter The Bag and get Zadna's cane out.

There's a Spot light inside and Zadna Says I'm in her domain.
