Viridous Somehow falls into The fae realm

Jerry is There

Jerry and viridous are fae baddies since Viridous causes Chaos

Viridas is There unknowingly

decides To walk home and upsets Jerry.

Viridous Recognizes The Smell of fresh death and gore from day She fled.

Viridous begins running from The weird Shape, looks like a mangled bear, It Speaks To Viridous.

Viridous made a deal, Still need To find Siblings To become more Powerful.

The house was Holding The Thing There, it's growing more Powerful and will eventually get To The material Plane.

The Thing Births aberrations and viridous is The finest.

Viridous transforms into a enlarged Polar Bear and attacks.

Every attack That lands and opens a wound is closed with other creature and Chimera Parts.

The Thing almost kills viridous But She wakes from The dream and is wrapped

---

We make our way Back with myrtres corpse.

Ozira asks for directions and She leads us To The Healers

The Healer says we should Bring myrtre to The dragon.

Viridous Burns The Head and as it Burns it whispers That it's already To late in The Professors voice.

We inform The dragon, The dragon is not going To Punish us, informs us To feed The vault info and The vault is Sealed By The Tree and filled with us like entities and worse.

They are resistant to his breath

The dragon remembers a Time Before The light, The gods falling kind of Started The light.

The angel is a Relic of The Past anchored To The Place and doomed To Rot and Rust

The dragon knows The light is intended to return.

offers To help return Myrtre But we need To recover it from a Realm of logic and knowledge.

The dragon sends us To The Realm.

Tome remembers The book he read and the horrific cosmic Knowledge of a book he read and returned To The group.

I remember a green house The lack of enough light and Hunger for Sustenance The was Plucked and placed in a weird container. a container of a chest cavity of a Strange Skeleton.

There's a Perfect geometric Building in front of us

we head Towards it.

we enter, see infinite Hallways of Books and Height

Ozira Thinks of salt, gets vivid info. a Red Haired Person at a work bench with weapons, armor, and Things Being of part curiosity and Invention.

Viridous sees a Bird lke creature That opens a book. 6 floors up.

Lorath remembers a trial of Some one going To jail for a crime he commited.

We use The book To guide

The Bird creature is like 9ft Tall with some Gold Plumage and looks at us with a human face.

The Bird locks me up and Reads surface level Thoughts

Says one of us is tainted and The Hag Smell, death from lorath,

Truth Seeker - Arch Sephriph

Emmir Truth Seeker Zebralite

Emmir Zabrialite, Truth seeker

Emmir faired cause not allowed To do This,

We follow ermir after He asks for Help.

wants help To find a flaw in The Thing

Lorath asks about The light and ermir attempts a Brain Scan.

ermir follows Zadriten The arch Seraph of knowledge.

find any dangers To The arch seraph is The Perogative of ermir

ermir asks us To open a door

Ozira sees an old man eating a stew and an old woman with Trees, forest, and Theres anvil work outside.

Theres a seraph over The door watching over us a Pact Breaker Seraph watches over us. it Punishes Those in dangerous Pacts

Viridous Trys To change The story, can see Three options. Selects a story with some injury But returns, The Story without The Child suffering opens The door

There is a Half circle of Pact Breakers in The room, Emir does not like it being open. directs us To myrtre.

The door is made of orthium and Pristine dreamer doon.

a dreamer work shop is behind It.

There's a mirror on The west wall and The doors shut behind Ozira. The Tools look like what Ozira needs.

Lorath sees his home village, on fire, being Torn apart By ghouls and vampires

Lorath attempts To Hit The mirror and There's a sound

Ozira sees a mid 20s Person working in a forge similar To The old man forge.

Viridous moves objects and sound happens That is closer.

Lorath sees The Prison cell man and is writing a message That names Lorath.

Tome sees Horrors beyond comprehension and a monster. Tome sees a vision of a man in all Black removing seraph wings Tasting its Blood,

Viridous uses a ley Channel To Peer into The History of The room. and sees a city of dreamers Through The window That is The mirror. They're working.
