order

Tome vision
a Recurring night mare, a
Plane of existence of only
flesh, Bones, Teeth,

Ozira Picks up The Rod and
we Hear a soft Hiss from
The door. it's a fog door.

we Pass Through an Harmed.
The Rod Seems perfect for
Ozira.

a glimmering orb of light
with some weapons, sand
and Things Slowly floating
around The orb at like 7 ft.

The book still wants The
light, Book kind of
moves But not doing much.

I grab The light

They eventually make Their
way Through The cloud,

There are Two factions.
one is Clearly going to lose.

War war is The one in
charge and asks for
Clarification. They are
our enemies and we've
Been fighting for 200 years

War war wants To go To
The front lines and The
enemy Has Clearly Surrendered

Ozira grabs The light.
in a space with a leader
of a cult with Someone
Captive and a dagger To
Their Throat in Ozira's Hand

Ozira Stabs The cult leader

Tome is in a Treasure Trove
of eldritch tomes. Tome
approaches and swipes The
Book on The desk away

war war walks forward to
greet opposite war war

I grasp His Hand and
fuze.

we are in a space in front
of myrtle's sore.

myrtle is unsure The Knowledge
is Shared,

I ask if myrtle wants to
Return with us. myrtle
is unsure if could ever
return if They leave.

war war vision
difficult for war war
To understand contract/
obligation / Pact and
He does realize He's in
a Pact and must Be provided
life blood in Return
for my powers.

Hear millenium old Bones
and a Bird Scream.

Ozira Sees The Pact Breaker
looking at us.

we wake up where we
layed, Ozira Still Has
The Rod.

war war Starts To leave,
Returns, Says Thank you,
Drags myrtle's corpses Back
To our lodgings,

A Blond Haired girl about
Ozira's age But Slightly
older, very interesting
clothes

She cries on Tome and Tome
Heals.

Ozira Returns and asks who
Blondie is, She's Eliza.

Eliza is from way Stein,
Ozira loosely knows of it,
and Herd rumors of a
city afflicted with a malignant
energy that makes Monsters.

Eliza called it orthium.

war war ejects Eliza from
The room,

Ozira and Eliza leave and
continue talking and walking

Chantelle somer kin is Researching
orthium Back in Eliza's Home.

Ozira knows of Them cause Her
cult is opposed By The
Hearth keepers.

Chantelle left Hearth keepers for
orthium cult.

Eliza unsure if Chantelle makes
creatures.

Eliza wanted To know where
our orthium came from.

Tome is named after a book and
IT's ironic and not The
finest Point of His life.

Tome shows The orthium Sabers.

Eliza doesn't know of The
dreamers

Eliza asks why were in The
grove, Tome Says Safety

Eliza Says aura of innocence
is what Saved her from
The amalgate Hydra.

Also That This is a pattern
and Has Had Her Party
killed Before.

Eliza Ran, Has no weaponry or
anything, left The others
for dead,

Eliza Thought we could Relate
To Her, and wanted news
of Home.

is kind of a leader and wants
To unite peoples

never considered Eliza Herself
might Be The Bad luck charm

Ozira finally puts Together
That The orthium shard
could fit Her collapsing
orthium Rod,
