Session 3:

Recap: Got to Wollendorf town and Myrtle Helped us Jeweller Make a Ring of might mores But owes 310 + Gold, Viridius and Arendon went to Rich Part to find meuseum but was line to Be Paid to catch Rats. I Bumped into toom on way to Jewelers, They Joined us and we're now a Group called M's F.I.S To Hunt Rats. toom leads us To a like my area. Myrtle Thinks dug tunnel in Sewers is from a cursed monstrosity we were Swarmed and Toom is incredibly Hurt and I am also Hurt,

---

were able to head Safely and

Met a non lethal Rat catcher and Toom was able to find where They more The Rats to.

Vilia The Rat catcher Brought us to a Hidden Room and we were Threatened.

Lidia gave away Arda's name The Person speaking as like The leader of The Hidden group Threatening us.

even bigger guy also Said Arda's name.

Tone by tone is The bigger guy

Tone lead us into a place called under Tow with Barrells as Chairs and Tables

They lost a friend named Hayden in The tunnels and would appreciate us if we could find Them

Clemont The Sales man comes and tries to sell us Stuff,

Dreamers are a People from The world and are an ancient species, with no Relics or artifacts. found in vaults west in Pods of Perpetual Dreams They lost everything while dreaming and have certain abilities and look different wanderers looking for a home.

if we find Hayden, a were bear Fort Tone Then we can get sold.

descended a ladder down into The basin Pit, was told to prepare to fight and Startled.

Also I Hug food for ReRolls

Brenton has 2
I have 3
