food Rerolls
Andrew: 3
Brenton: 2

Recap:

- I Think you should leave ess some.

finally Changed into my armor.

decide to Stealth and find wreched named Hayden.

followed The Path That Toom found and encountered Two Sets of Boot prints, one likely Haydon, one small feminine like,

Asked old Gossip lady about Them. They treat into lady Zadna's house.

She also watches from a back Nook.

Verminous abomination was not Hayden The were bear.

Iot into lady Zadna's Place But was informed She escaped and murdered like 20 people.

Arandon found a diary That mentioned Zadna had an accident as well as don't go to The first floor Bathroom cause poor will.

Arandon found a plant That attacked Them in The green house. Tome and Sult helped kill The plant.

viridis explored more and found a Tale pathic worm.

myrtle eventually cast detect magic and we Joined up every one.

viridis found Tale pathic worms

Then angered Them.

The worms killed arandon and we took The important items off Their body.

myrtle and viridis Salvaged worms.

Brought Arandan's corpse to The Guard and got a corpse cart called. to process and Bary The body.

Tome found The food in mid preparation, it's a couple weeks old like everything.

we continue in restorations.

The Tangle weed was Specifically planted here.

in Thinking about The drain life I gained some flashes of images of Something in The Soil That called upon me, And I answered.
