Rerolls: 7
+2 Cane's
-1 Brenton Death Save
-1 Warwar wis Save

Recap:

Armor Bay and Then a long rest Before Getting To The Horrock.

looking for an ancient city at The end of a very long elevator ride.

find out why The Undermart can't go There, find and Bring Back evidence

There are tons of corpses

Loratn leaves a trail of claw marks following our Path

Myrtle explains ice cream and all of it's underlying knowledge

Sadt The Ranger, Sadhara's father Sneak after us and we Saw Them.

Sadt leads us The way we want to go.

warns us to avoid magma Horrocks.

Barack or Ostoyan messed with The Rift.

Rift to Stone Reach, realm of Primordial. Stone and earth

Threw a Rock at Sadt Myrtle finds out about The Son. Then explains it to me.

We beat The Horrocks, It Hurt, Took a rest.

Continue, Passing Statues That are 60 ft tall.

Myrtle casts Speak with dead

They were There own murders compelled by The Stone. Not through Voice of The Mountain. Stone Spoke in Their minds told us death. Doesn't know of Horrocks, First colony from Stone Reach. Rift is in The Center of town, 5 mile radius town Dwarves, Draegar, Goblins, Kobolds original inhabitants

Some Suspicious of Stone Corruption, doesn't belong and evil, no ostoyan influence to Their Knowledge no evidence of Barorak Rift is Dangerous to enter But is in center of Town.
Stone not from Rift, came from a mining Chamber near dreamers.
Stone reach filled with magma, doesn't know Gem stone curse, dreamers found in Chamber near The Stone. The dwarves Gave The dreamers a Home. Dark is The weirdest Thing Here.

There's a crane Holding The Stone, The magma is flowing to it and it's Surrounded By Gems.

Two figures on The crane above The Stone. dozens of dead Horrocks nearby.

found some mining equipment and massive chunk moved away.

Kobold Backup is Lore Core.

Myrtle, Tomz, and Viridus walk up for tribute to others nearby.
