Recap:

The Laneshi Took Simon and Hurt Ogmath (Discount Parrot Sol). They killed like 15 and a warbreed.

Laneshi are warriors and spell casters (Typically necromancer) very caste Based, pretty much all oceans.

Simon's favorite spot is obvious

Shrimp Helps Ogmath away.

We Head To The Beach

The Laneshi fabric Says "This is your final warning"

The warbreed Head was removed.

Warbreed was crushed By Huge Pincers. It's head was removed By Rows of Teeth

I find a manufactured Path under water with lots of Poke Holes and Ridges and a Path Past.

Viridous Shared Info about Large crustaceon an Hill

We Hide poorly.

Ozira and Viridous investigate The Crab like thing on The Hill. It's manufactured of metal and wood.

Tome finds exploration supplies.

Ozira finds it opened.

We capture The Trade foreman and 2 guards
