Shares symbol info with group and investigation. Shares it brings Comfort when drawing

There's a knock. It's The cult. Talks to Ozira with Telepathy

door opens, lights pin pricks of light like dust.

They know The moonless dread lair, it's under The college

Colless leader of trading, college and government consolidated Power, so college is under company.

Broken Chain cult and Helpers are The Same.

They can listen to Thoughts from a distance. That's how They found it.

we are disciples of the Harried.

Chantelle Summer Skin told of the haired's coming.

Talked of freedom, change, eternal light.

Ozira sprints to Cal with expeditious Retreat.

Others head to moonless dread

Cal says They're a dangerous group to play with

Ozira knows, apparently

we are Blocked at The district edge. Cal meets us.

moonless dread moves, we are directed. it moves fast. we meet at warehouse

~

fight Starts

we win, it is difficult ish.
