Recap:

---

war got grabbed by the water.

fights the water, poorly, amazingly

I was crashed into a Headless Body.

viridous hands a rope to Help war war out

02.ra looks at the rocks finds a section that's different

02.ra finds an invisible walkway in the water

uses mage Hand to find the Path.

about Half an Hour later we reach a Platform

Lorath approaches the platform there is a minor Hum with a roll 20.

Lorath disappears an steps upon.

Tome attempts to fly disappears when Half over.

we all Head in.

it's a congrats room; Tome almost crashes into Banner.

Confetti is falling,

corpse died from Blunt to the Head.

already Pilfered,

use the corpse to check for Traps.

Head up, There's an open canyon at night time - with Beams of light that flash irregularly.

Tome Throws a feather, the light causes the feather to stop moving in air

The light causes 02.ra's mage Hand to reappear at her.

02.ra walks forward, misses the lights, then gets caught and takes 6 Psychic.

viridous starts diving with tome

Lorath attempts to Block lights with a cloud. it attacks us.

we decide to Burst Hording and invisibility pass Through.

Lorath, eli2d, warwar, Shrimp,

They Head through on affected.

we get to a breath.

There's a Path at no Traps.

Lorath Begins ritually casting water Breathing.

Tome is Schized and Scared Cause Paron.

02.ra attempts to Help.

Lorath eventually casts water Breathing

all of group can now Breath under water.

we Head into the water There's a Rot at Super mega Flora lights a Path to a dreamer door

There's a Super fine net above the reef that Lorath sees.

The net doesn't really Have a rot of give.

we Head to the door at the end.

find another Body Stuck in The Spikes of the reef.

we back Pack and get Through The giant Serpent attacks us.

we got To The dreamer door and it's dark Past. Lorath doesn't notice anything.

we all Head in,

Tome reads,

as he gets near Tome hears it is weird near The right, Lorath also Sees.

They Reverse Time Backwards

Lorath move forward again. Suits Stunned Half way.

we all See a Spectral mage that acknowledges Lorath out side of Range.

02.ra is Teleported To a dreamer Beach and Sees A Situation in Resplendent colors. is almost attacked.

Gravity no longer works.

02.ra attempts to go forward Races, steals Holtn with necratic damage,

02.ra attacks it and Radiant damages The group nearby.

eli2d, Shrimp, warwar, enter Bag of Holding, tome Rerolls cause that is Sets as There and 02.ra catches.

all of tome's equipment Comes alive and Insult Him

we make it Through, and are Scored for our Performance in The first trial.
