Recap:

Dr. Rainer Healed us fully

we Take a long Rest, Tome does not.

I go. To ask Max The east. I meet null. He is incensed That myrtle is not with us.

Null takes The clinic from us.

Investigate dream land Keep looking for maximovich.

Max Hands a sleeping draught to Tome. it was a greater Restoration Potion.

we Head out of The clinic and constable argyle is There. Have a Talk argyle is unhappy.

Likely official Summons

argyle Shows us a crowd That very wants to kill us.

argyle "manacles" us and leads us out. Tries To Keep me from being Hit.

Tome Senses abberant, undead and fiend.

An emaciated Giant approaches and is a fiend.

Speaker Curran Shiel is The fiend,

father Gregory is The loud mouth instigator.

father Gregory Threatens The fiend

People Recognize The Speaker and The crowd Starts to dissipate at his asking.

I Borrow viridous's Grate and Thank Speaker Curran and The Guards.

argyle leads us To The Station, and un manacles us

argyle shares Ryga was Sober for 5 years.

Shiel is leader of cult of Tormach.

argyle is drinking whiskey

myrtle cleans note book Tome found in collapsed Body. IT's about us. and our movements. Start after maximovitch's house.

myrtle uses divination To find out Maximovitch is Still alive.

Cult of Tormach is very accepting, Arena more violent after Speaker Took over,

key is actually for a Pawn Shop. very far east Side of Town,

we Slowly Transform into Beasts and Tome is invisible.

we are head to The east Side Pawn Shop.

Tome Sees The icky Smell. a lythe figure crawling on all fours across The Roof Tops to follow us,

Lorath also sees it a gray Haired person with long Black Hair following.

Takes about 20 minutes walking to get There.

Pass over Some Paintings To open Box. it contains 300 gold and Painting of maximovitch and dude, lady, and Beach Scene is oldest.

Tome sees gold get Sat and Tackled into an alley, likely dead.

Pawn Shop owner is named Sumyre. Sell Scimitars and Vampire Plate armor

Tells us about under city and mentioned maximovitch is likely down There.

we attempt to find The Gard, it goes Poorly, unable to find Guard or Shape.

Lorath is able to find The legs of The Guard Hanging from Roof. Spikes are skewered Through only lower Part left,

Viridous Thinks Public out house is weird. opens closed one and it's a ladder Down.

it's literally just city streets, very dark Though.

Lorath Thinks Photo from ostoya

Photo of maximovitch and dude Shows Photo of ostoyan warriors and no longer exists

Lorath Recognizes it, was mostly sand and died out Before Current Regimes.

Lorath revealed actually vampire doesn't feed on us.

Jerry reveals There are 3 war bred, There's one like 40 feet away.

7+ foot tall lady is one Tome Bumped into.
one up top,
one near water ways
one under city,

we've kind of met all of Them.

one of The Photos Has " if you find me, meet at old Spot undercity.
