+2 Andrew dinner

Recap!

I stick my Head out and ask of Them.

See warbreed Lady crouching She stands and approches

She is the Sargeant it seems

They are after the adamantine we stole

we decide to try and figure out who we stole from.

we also long rest and during which we had a dream

Myrtles dream is of a dream That he Has a research grant to find a Thing, info is free and open

war war dreams of a life with the group being extremely succesful, Myrtle is a god, uxga is King argxle is leader of the military.

Johnathan, surrounded By specific People slain By Him. Exhausted But Triumphant

Tomes dream, flying above The murky clouds and seeing the Sun, not being fearful.

dream sours and sees the light and Turns away. That illuminates monsters.

warwar sours and Has Myrtle ripped in Half and fields of monsters like "us" That kill all

myrtles sours and they start being secretive and myrtle being alone.

Johnathan's sours, He's shackled and watching Them lay waste.

we are Then in a Sacred glade, Myrtle, Tome, Self, and other person (Johnathan) is There. as were when went to sleep.

Uzirea, is unknown, Has a Staff and a Short Sword. went to sleep in the under city.

Tome Had The zoomies.

Uzera is wearing like Third or fourth Hand clothes.

young Human Girl, Short and Short not well cut Hair.

I ask the cart if it can get us out. Fake Zadna responds, She is not. She is dissapointed in the decision to integracte Her.

we ask about the Place from a gnome That enters.

I ask for understanding. It somehow works.

They're not using Lay channels.

I share what the light and Lux channels are.

Ozira is dragged Through the into dump.

I ask to prevent the Rapture (I go Through it in Real Time in my mind and succeed)

I manage to Think it's not real (about a year in). and Rejoin.

Ozira is not There again.

I gained advantage on Persuasion for the day.

I Have Two People on my Shoulders, Sheet metal in a face, with a conical cap and Priestly like Robes That says They're my conscious.

and an ura cackra That is very dissapointed.

Sivarbus Ghilgo is an aasimar

Despard, is the dara cockra

Sringo is a show off.

Ozira goes on an infiltration mission.

Seems to go well,

Myrtle suggests waiting for viridous and Laroth to wake By waiting while investigating The items taken from The cart.

find augusting Trading co Brand Journal and Stuff in a Secret Painting.

war Breed project notes. Talks about How To make Them an control Them.
