---

we start the memori first
Korrin Shield fight

viridous armora dies. Mehaired
shows up and saves them

Mehaired greets us

He wants us to go some
where else.

The Hearth keepers are
marching on the city
to cleanse it entirely

Mehaired wants us to check
a dreamer vault beneath
the waves of Morenoia

major city in Skarnolt
coard, Head west and
around the coast
viridous Shadders

The church and emporer are
likely marking Ryga as
a Conspirator and will Banish
at Best so should reort

Mehaired gave a lux channel
from its hide Korrins Shield
to Ozira
