viridous is Partly Repelled
tome feels dread and despair

I Put on The mask, it grows fangsish and has a really wide grin and deep Red eyes. Reminds of wampire But older.

we enter The tower

I choose eldritch smite

The divine says we failed, never found actual AYO nor saw lux channel.

The Tower was to use grief and sorrow to overcome

The divine is stuck in The grief.

we argue with it on our way down

The angel is coalted in like a Rusty varnish.

it's a fallen imperial, a very mighty angel.

Amaruma, deceased deity of sorrow, This servant is a Tgirt of That.
