29.08. Sat

Rerolls: 11

Recap:

Null Separated The Party

We continue and watch Resurrection Ianeshi Try on The angel.

Null is apart of The Thaumaturge. Wehaired used to work under null, Thaumaturge killed old emporer and caused sad fall.

Rupack is attaching angel Parts to a body, Bit mismatchy

Ianeshi use undead for labor not war.

Myrtle and Ozira taking detailed notes.

We're Healed in The Pools Larath gave a +1 Sling and moon Sickle for it.

Ozira copies Spells,

Each Group Has a Sending Stone.

As we Rest The maul Resonates focuses on it (Nat 20)

Brings memories of my creation and How Things in vaults look kind of like me, it connects to a Past Self maybe,

Sitting mirrored from is a dreamer automaton with The maul, missing bits of itself.

Seems to be The construct Base inside me.

it mirrors The movements

I ask what it needs and it stops mirroring

Must Build myself.

"we are empty" we must fill The Hollow.

It convey's That The Build does not come from out side materials

need to Build warworn's understanding

long Rest

we Head Back To Rupac To watch Ritual.

The Ritual Happens it Smooths out and fills out To Her vision Has some more intelligence

Larath Sees Ghoulson That's following Ozira That He was Tapping a Thing.

Rupac Begins Testing it's Responses

Ozira Thanks Rupac

we Head To find Simon

He's Been Busy and There's many Ianeshi soldiers Testing Things and Suits,

There's traditional weapons too.

Seems Simon is arming them.

Simon wants to head To The quarts palace

in The Rock teeth Mountains By Sten wold,

Simon says we may find Him in Sten wald.

Says limited air capacity

Gives extra Battery, each 16 Hour Rest made To Recharge.

customize The fuck out of The vehicle.

Ozira identifies Ghoulson finds out it's a very ancient curse that Rotted and is unique and worse and changing

long Rest

Simon Shows His Ianeshi Weapon

There's Refined and unrefined ortium
